Merchandise released by customs is done under bond and is subject to redelivery to customs on demand. Failure to return merchandise makes consignee subject to penalty for full amount of bond. If you are the importer of record, payment to the broker will not relieve you of liability for customs charges (duties, taxes, or other debts owed Customs) in the event the charges are not paid by the broker. Therefore, if you pay by check, customs charges may be paid with separate check payable to the "U.S. Customs and Border Protection" which shall be delivered to Customs by the broker.
